

POLICY SECTION 204: Role of Indigenous and Northern Affairs Canada (INAC)

POLICY

In order for the Mohawk Council and the Akwesasne Mohawk Board of Education to operate and maintain a successful education program for the Akwesasne community, the Mohawk Council and Board of Education jointly request and expect Indigenous and Northern Affairs Canada to fulfill their responsibilities in providing advice, assistance and appropriate financial resources.

GUIDELINES

1. The Board and Administration shall periodically review the agreement for the local control of education and funding of education with Indigenous and Northern Affairs Canada.
2. The Board, in cooperation with the Mohawk Council of Akwesasne, shall assess the obligations and commitments made by INAC for the provision of educational services in order to ensure that these agreements are upheld.
