

POLICY SECTION 223: Policy Implementation

POLICY

The Ahkwesahsne Mohawk Board of Education believes that all its employees, community members and parents, should be familiar with and abide by Board policy at all times. The Board holds the Director of Education responsible for the implementation and communication of Board policy and for ensuring that all employees comply with Board policy.

GUIDELINES

1. The Director of Education shall ensure that the Policy Handbooks are maintained and that all Board employees have access to the handbook.
2. Upon approval of a new policy by the Board, the Director of Education shall circulate said policy to all Policy Handbook holders.
3. The Director of Education shall meet and confer, as required, with employees to ensure effective policy implementation.
4. The Policy Statements of the Board are considered public and will be made available to any interested parties.
