

POLICY SECTION 226: Board Review of Administrative Decisions and Rules

POLICY

The Ahkwesahsne Mohawk Board of Education believes that it has the right to review and to recommend changing any decision or rule made by the administrative staff that is found to be inconsistent with the policies or goals adopted by the Board.

GUIDELINES

1. Before reviewing a decision or action taken by the administrative staff, the Board shall discuss the matter with the Director of Education.
2. All reviews will be made to ensure that positive working relationships are maintained.
