

POLICY SECTION 227: Administration in the Absence of Policy

POLICY

The Ahkwesahsne Mohawk Board of Education recognizes that situations of an urgent nature may arise from time to time, for which there may not be policy or sufficient policy to guide the actions of the Director of Education.

The Board authorizes the Director of Education to make such decisions as necessary to ensure the welfare of students, employees and the Board where there is an absence of policy.

The Board shall develop procedures for the Director of Education to follow in such cases where there is an absence of policy.

GUIDELINES

The Director of Education shall:

1. Consider the matter and if possible, consult with the Chairperson and/or Co-Chairperson of the Board,
2. Determine an appropriate course of action and to communicate to those immediately affected.
3. Provide an oral report to the Board Chairperson as soon as possible.
4. Provide an oral or written report to the Board, detailing the circumstances and the determined course of action at the next regularly scheduled meeting of the Board.

Recommend appropriate Board Policy to handle future situations or events.
