

POLICY SECTION 228: Consultants to the Board

POLICY

The Ahkwesahsne Mohawk Board of Education believes that the school system is a complex organization established to provide high quality educational programs for children and youth who live in an ever changing and highly complex society. In order to pursue its educational mission and also to protect the Board's financial investment in the school(s), the Board may from time to time require the services of qualified consultants to provide new insights and ideas for enhancing programming and support services to students, employees and the Board.

GUIDELINES

Consultative services may include, but will not necessarily be limited to:

1. Conducting fact-finding surveys, evaluations, and research;
2. Providing counsel or services requiring specialized expertise; and
3. Assisting the Board in developing policy and program recommendations.

Before engaging any consultant, the board will require submission of a written proposal that can be incorporated into a contract that meets the requirements of the Board.

Proposal will detail:

1. The specific objectives to be accomplished by the consultant;
2. The specific tasks to be performed;
3. The procedures to be used in carrying out tasks;
4. The target dates for the completion of tasks;
5. The method to be used to report results to the Board;
6. The total cost of the proposal, including fees and projected expenses.

The Director of Education will establish procedures necessary to promote an efficient working relationship between the consultant and the Board and/or employees. The Director will maintain regular contact with consultant throughout the project.
