

POLICY SECTION 304: Compensation and Benefits – Director of Education

POLICY

The Ahkwesahsne Mohawk Board of Education believes that the Director of Education should be provided with compensation and benefits that adequately reflect the level of responsibility entailed in the position.

GUIDELINES

1. At the time of appointment, the salary and benefits provided to the Director of Education shall be set in accordance with the current salary grid.
2. With the exception of salary, some terms of employment may be negotiated between the successful candidate and the Board prior to appointment.
3. The salary and benefits provided to the Director of Education shall be determined at the time of appointment.
