

POLICY SECTION 310: Advertising in School(s)

POLICY

The Ahkwesahsne Mohawk Board of Education recognizes that community members and organizations and other non-commercial organizations may wish to advertise or display notices in the school from time to time. The Board believes that such notices or advertisements must be of benefit to the students and community, be in good taste, and must not detract from the educational climate of the school before being accepted.

GUIDELINES

1. Individuals or organizations wishing to display or distribute posters, leaflets or notices in the schools shall be required to obtain the permission of the Principal before hand.
2. Materials must not be vulgar or in any way offensive to the values, traditions or culture of the school and the community.
3. Individuals or organizations wishing to appeal the decision of the Principal shall do so through the Director of Education.
