

POLICY SECTION 515: Board – Employee Communications

POLICY

The Ahkwesahsne Mohawk Board of Education believes it is important to maintain open lines of communication between itself and its staff. Communication should allow for the Board and staff to identify issues that are affecting the quality of educational programs, services, leadership and then to identify potential solutions for improvement.

GUIDELINES

1. The basic lines of communication with staff will primarily be through the Director of Education and through the Principals or supervisors at scheduled times.
2. Principals will provide copies of all staff meeting minutes to the Director of Education and to the Board.
