

POLICY SECTION 523: Teacher Planning

POLICY

The Ahkwesahsne Mohawk Board of Education believes that effective teaching is enhanced by the development of both daily and long-range plans.

GUIDELINES

Each teacher shall prepare descriptions of studies and long range plans that are consistent with school guidelines and the Ahkwesahsne Mohawk Board of Education Program of Studies for all courses. These are to be submitted to the Principal.

The Principal shall keep a copy of descriptions of studies/long range plans and make them available to the Director of Education.

The teacher shall prepare daily lesson plans in advance of instruction and shall have such plans in place should the teacher be absent from the school.
