

POLICY SECTION 609: Community Resource Persons

POLICY

The Ahkwesahsne Mohawk Board of Education believes that community resource persons and parents can make a valuable contribution to the education program and ensure the success of school activities.

GUIDELINES

1. The Principal and staff shall annually develop a list of community resource persons and parents/guardians willing to lend assistance to the school in areas of interest and expertise.
2. All requests to use community resource persons and parents/guardians shall be approved by the Principal.
3. Resource persons or parents/guardians contributing their services to the school shall be thanked for their service in an appropriate manner.
