

POLICY SECTION 610: Community Coaches and Supervisors

POLICY

The Ahkwesahsne Mohawk Board of Education recognizes the need and desirability, upon occasion, to use community members as coaches and supervisors for school sponsored activities. The utmost care must be taken when choosing coaches and supervisors who are not employees of the Board and/or members of the teaching profession. The safety and welfare of all students must always be the first and foremost consideration. Therefore, all community coaches and supervisors shall be approved by the School Principal and Director of Education.
