

POLICY SECTION 614: Post- Secondary Opportunities

POLICY

The Ahkwesahsne Mohawk Board of Education believes that it is important for community members to pursue Post-Secondary education opportunities. Post-Secondary education will allow community members to secure better paying jobs and to provide services and expertise to Akwesasne and neighbouring areas. It is the desire of both the Ahkwesahsne Mohawk Board of Education and the community to provide for and enter into self-government, self-reliance and independence in planning and action. This requires well-educated and thoroughly trained individuals.

GUIDELINES

1. Students wishing to pursue Post -Secondary educational opportunities and wishing to receive financial support from the Board must meet and comply with the guidelines established, reviewed, and approved by the Board.
2. The guidelines are reviewed and published annually.
3. The guidelines are available by contacting the Post-Secondary Manager at the Board office or on www.ambe.ca
