

POLICY SECTION 702: Visitors to the School

POLICY

The Ahkwesahsne Mohawk Board of Education believes that parents, relatives, visiting educators and officials may normally be expected to visit our schools and programs from time to time. In an effort to support a safe environment, the Board requires that the Principal monitor all access to the school premises. All visitors should be made to feel welcome in our schools.

GUIDELINES

1. The School Principal is responsible for all persons in the school building.
2. All visitors must first proceed to the school office to receive permission to visit individuals or locations within the school.
