

POLICY SECTION 805: Student Transportation Services

POLICY

The Ahkwesahsne Mohawk Board of Education believes that the provision of student transportation to and from school for the purpose of regular instruction and special activities assists in ensuring better attendance and the general safety and well-being of students.

GUIDELINES

1. The Ahkwesahsne Mohawk Board of Education shall provide free transportation services to students that reside on the Territory of Akwasasne and on established routes.
2. The Ahkwesahsne Mohawk Board of Education will provide transportation services for approved field trips, extracurricular activities and special events planned by the school or the Board.
3. Individuals, other than school students and approved supervisors, shall not be allowed to ride a school bus without the approval of the School Principal or Director of Education.
4. School buses shall be operated at all times within the provisions and regulations of current provincial legislation pertaining to the transport of students by school boards.
