

KENNEDY ELEMENTARY SCHOOL

1 Washington Street
Harrison, NJ 07029

JoAnn Dignazio-Botch
Principal/EC Director

Steven Valente
Assistant Principal

Dear Kennedy School Friend,

My name is Mrs. Botch and I am the principal of our school. Our school's name is **Kennedy Elementary School** and it is a brand new building. **Kennedy Elementary School** is a long name so it is fine if you just say **Kennedy School**. I wanted to think of words to describe our new school to you and I thought of words that rhyme: **A COOL SCHOOL!** **Kennedy School** is a great place! Everything is new and made for Kindergarten and First Grade friends. Your classrooms will have computers and special furniture. The gym and the cafeteria are very big. There is even a playground outside for you to play in during recess.

However, right now we need to wait to come inside so everyone stays healthy. You will be doing your Kindergarten and First Grade work at home with computers. All of our teachers will help you to learn new things every day.

I wanted to do something to remind you that you are an important part of our new school. I am sending you this picture of the outside of **Kennedy School**. Please color and decorate it. When you are done I want you to hang this picture in a special place in your home. You are very lucky to be part of Harrison's new **Kennedy Elementary School**.

I hope you remember me from visiting your preschool classrooms. I promise when you are working at home you will learn many new things and enjoy each day.

You are in my heart and mind always! Enjoy being with your families and make sure you talk about all the new things you are learning and remember, **Kennedy School** students always try their best!

Fondly,
Mrs. Botch ☺

WELCOME TO KENNEDY SCHOOL
