WELCOME TO DAISY ELEMENTARY SCHOOL!

Daisy Elementary School has a talented and experienced teaching and support staff vigorously working toward teaching needed skills and providing a positive and favorable climate for children to grow and learn. Our staff looks forward to working with each student and family.

Daisy Elementary is a Hamilton County School serving children in Pre-K thru 5th. Our enrollment is approximately 400 students.

The success of students at Daisy is the joint responsibility of the school and parents/guardians. It is the policy of our staff to work closely with our parents/guardians in all areas of the student’s performance. We ask you to help us keep all lines of communication open. With your encouragement and assistance, our goals for each student will become a reality.

There are a number of ways parents can help, so please feel free to offer your time and service. Each year parents volunteer to work and assist in classrooms, with special programs, and in many other areas. We would also invite you to become a part of our outstanding PTA.

We are very happy to have you and your child with us at Daisy!

PARENT/TEACHER ASSOCIATION

The Daisy Elementary PTA is a vital part of our school family. PTA programs and activities are designed and directed by parents to enhance the learning environment, assist teachers, and help provide much needed equipment, materials, and supplies for classroom use. Without the involvement and support of parents, we could not provide the quality instructional program now available to our students.

Every parent is urged to become familiar with the PTA, join with other parents in membership, and support its programs and activities throughout the year. The work of the PTA directly benefits your child. Please join!

**REGISTRATION AND EMERGENCY FORMS**

Occasionally it may be necessary to contact parents quickly. Please make sure you fill out a medical emergency card and keep this updated if any information changes during the school year. Emergency information is kept on file in the nurse’s clinic. **It is the responsibility of the parent to provide us with accurate and up-to-date information in case of any emergency.** We ask parents to provide two emergency numbers other than the parents. Please provide the following information:
- All contact and emergency numbers must be completed.
- Please complete information concerning persons allowed to pick-up your child for any reason.
- Copies of any **custody papers and restraining order** which may affect dismissal of your child must be supplied to the school office.

**SCHOOL PAYMENTS**

Separate checks for each child and event should be made payable to Daisy Elementary School and turned into the homeroom teacher. Examples may include field trips, fees, and book orders. There will be a $10.00 service charge on all returned checks. Returned checks will be required to be picked up at school with cash. School textbooks are furnished by Hamilton County. A student is responsible for any books lost or damaged, including any library books. Parents may choose to make Online School Payments with a Visa or MasterCard, debit or credit, by visiting [http://osp.osmsinc.com/hamiltontn](http://osp.osmsinc.com/hamiltontn) using a web browser from any location, 24 hours a day. *Not applicable to lunch payments - these are still processed through MyPaymentsPlus.*

**SCHOOL DAY**

With the exception of children in the School Aged Child Care Program, students are not allowed into the building until 7:50 AM. Students have to be pre-registered for the School Aged Child Care (SACC) Program. School is dismissed at 3:15.

Car riders must be dropped off and picked up at the back of the building. **NO STUDENTS ARE TO BE DROPPED OFF IN THE CAR RIDER LINE AFTER 8:10 A.M. STUDENTS ARRIVING AFTER 8:10 MUST BE BROUGHT TO THE FRONT AND WALKED IN TO THE OFFICE TO SIGN IN.** To ensure the safety of all students, you must display the school issued car tag to pick up your child from the car line. Cars without tags will be directed to the office to show their valid photo ID and ensure that their name is on the dismissal card.
To ensure we are keeping our students safe, we do not allow dismissal changes over the phone. You can send a signed note to your child’s teacher or you can come into the office to show your identification and make a dismissal change. Only in an emergency situation, you may take a photo of your driver’s license and write an email to our clerical assistant with the dismissal change and photo of your identification to thurman_tommie@hcde.org.

Detailed information is available on Registration Day. For the safety and security of your children, please observe all arrival and dismissal procedures.

PERSONAL ITEMS

Students should not bring personal items such as toys or jewelry to the classroom unless they are asked to do so by the teacher. Students can sometimes put things in their backpacks to bring to school that can be distracting during learning time. Please make sure you discuss this with your student and make sure toys and personal items stay at home. We cannot be responsible for lost or damaged items.

TRANSPORTATION (Bus)

For a safe and enjoyable ride to and from school, children should be reminded frequently about good behavior on the bus. Bus referrals for unacceptable conduct are filled out by the bus drivers and given to administration for determination of penalty. Penalties may include conference with administration or removal from the bus. A copy of the referral is sent to the parent and the Director of Transportation at the Hamilton County Department of Education.

BEFORE/AFTER SCHOOL PROGRAM

The Hamilton County Department of Education offers before and after school child care (for a cost) to accommodate parents who must leave for work before school begins in the morning and who do not get home until after school is out in the afternoon. Parents may sign up at any time during the school year bus must be pre-registered before beginning the use of the SACC program. Full day service will be available on days school is not in session (in-service, fall break, winter vacation, etc.). The hours of operation for this program are from 6:00 AM until 7:50 AM and from 3:15 PM until 6:00 PM. If there is an adjustment in the time this service is provided, there will be an announcement from Hamilton County Schools. For more information, please call the Site Director at 332-8842 between 6:00-8:00 AM and 3:00-6:00 PM.

AFTER SCHOOL

Students are required to go directly home after school unless the student is involved in a school approved activity. Students need to BRING A NOTE if they are not going home in their usual manner. When the request involves bus transportation, the student will have a note from the office for the bus driver. Teachers cannot allow a student to ride home in a car other than that of the parent or pre-designated car-pool without a note. We enforce this policy for the safety of our children. If your child attends an after-school activity, you must pick your child up at the designated time or be registered for daycare.

DISMISSAL CHANGES

Should you need to pick up your child before the end of the school day, please use the following procedures:

1. For the safety and security of our students, all adults must show picture identification.
2. In the event that you need to dismiss you child early, please inform your child’s teacher of the reason and approximate time in writing.
3. We do not take dismissal changes over the phone.
4. Upon arrival, come directly to the school office to sign the Dismissal Card and show proper identification. A child will not be dismissed to anyone not listed by you on the dismissal card. Any
changes to the Dismissal Card must be made by the parent/guardian. For the safety of our students we ask to see identification. Please inform all persons listed on your dismissal card of this policy.

5. Please wait in the office or lobby area for your child. We will call the child to the office to minimize disruption to the class. PLEASE DO NOT GO TO THE ROOM TO PICK UP THE CHILD.

6. If there is a change in the way your child is to go home in the afternoon, **we must have a note to that effect.** Please help your child know how he/she is getting home BEFORE coming to school in the morning.

7. **Because of the difficulties involved in dismissing our large student body safely and the large amount of traffic, transportation changes and early dismissals will not take place after 2:45.**

**ATTENDANCE POLICY**

The Hamilton County Board of Education believes in the importance of a tradition of regular school attendance for each student. Every parent must ensure that his child attends school regularly for the benefit of that child and his classmates. This establishes the first step toward a successful academic career culminating in a high school diploma and is an essential concept to teach for the job market. To this end, the Board sets forth the following guidelines for excused absences from school:

1. Personal illness.
2. Death in immediate family.
3. Family illness (Physician’s statement giving the necessity of the student’s services required).
4. Religious Holiday (prior approval required).
5. Personal (Doctor or dental appointment which cannot be scheduled at times other than school hours, court appearances, etc.)
6. School-sponsored activities.

**Students who are absent from school must bring a written statement explaining the absences signed, and dated by the parent or guardian for presentation to the teacher.** It must state which of the reasons for being absent the student claims in order for it to be excused. This note should be filed on the first day the student returns and no later than five school days.

*Please read the Attendance Policy Sheet provided at Registration for detailed instructions.

**TARDINESS/EARLY DISMISSAL**

Daisy Elementary hosts an awards day celebration each quarter. In order for a student to be recognized for perfect attendance in the school level awards day program, he/she cannot have more than 3 tardies or early dismissals in order to receive an awards certificate for perfect attendance in the Daisy Elementary school program. Students with perfect attendance, no tardies or early dismissals, may be eligible to receive the Super Spartan Award given quarterly.

**TRUANCY**

The law requires school officials to report to the court any parent or guardian with a child who is unlawfully absent from school for any five days during the year without an adequate excuse. The parent will be asked to attend an Attendance meeting after 5 unexcused absences. The parents will be notified by the school with their scheduled time. After 10 unexcused absences the school Social Worker will request a Tier II Meeting. Further absences could result in legal action and a petition will be filed in court charging their child with truancy or dependent neglect against the parents.

**MAKE-UP WORK**

Excused absences (those meeting State attendance rules) shall entitle students to make up work missed. Unexcused absences may result in homework assignments as make up work that receives reduced credit. **Students must make up work at the teacher’s convenience and shall have no more than five school days to complete these assignments for one day’s absence.** Each additional day’s absence shall add one day to the length of time given for make-up. Request for make-up work becomes the responsibility of the student. **A 24-hour notice is required for make-up work.**
STUDENT TRANSFER

If a student transfers to another school, parents should notify the teacher and/or office at least 24 hours in advance. Library books, textbooks and Chromebooks with the chargers must be returned before leaving. All money owed to Daisy Elementary School must be paid before records can be transferred. Please contact the office to complete a transfer form and sign records release forms.

DRESS CODE

Student attitudes are affected by the clothing they wear. Your cooperation is appreciated in using the following guidelines for acceptable attire.

- Shorts and skirts should be long enough to come to the child’s fingertips while standing
- Tops and bottoms must fit so as not to expose the belly, bottom or cleavage
- Athletic or tennis shoes are expected

Items that are not allowed:

- Makeup or excessive jewelry
- See through or torn/ripped garments
- Spaghetti straps and halter tops
- Flip flops, clogs, high heels or shoe skates
- Hats and caps (only allowed on hat day or at recess)
- Inappropriate words or pictures

If a student comes to school in violation of the dress code, he/she will be required to stay in the office until a parent is contacted to bring a change of clothes. The second violation of the dress code will be considered a disciplinary infraction. In matters of opinion, the judgment of the teacher or principal will prevail. The administration reserves the right to add or delete from this dress code in order to maintain a proper educational environment.

STUDENT BIRTHDAYS

Birthdays are important. Parents are welcome to send snacks for the class with the approval and permission of the teacher. Please ask the teacher if there are any food allergies in the room. Birthday snacks should be enjoyed at lunchtime as to not interfere with instructional time. The parent will be responsible for bringing the snack to lunch and passing this out to students. Parent should not send this in without prior approval from the teacher. Parents are discouraged from sending balloons, flowers, etc. for students but in the case that a delivery is accepted for a student, it will be kept in the office and may be picked up during dismissal.

Students should not bring birthday party invitations to distribute unless one is brought for every student in the class. This will prevent exclusion of students. Parents are welcome to send individual invitations by mail.

STUDENT ELECTRONICS

Students may not keep cell phones, electronic games, or other electronic devices at school. Daisy Elementary is not responsible for any theft or loss of ANY electronic device whether it is confiscated or in the student’s possession. **Cell phones and other electronic devices are prohibited during the school day. Students who require a cell phone due to parental conditions are still prohibited from that device being seen, heard, or used during the school day and must be approved by administration prior to bringing the device to school.** Parents will have to sign the appropriate form for the child to keep his/her device in their backpack. Due to safety and privacy of students required by FERPA, this includes the bus ride to and from school. Students who violate the school policy will be subject to the following consequence: 1st violation: Warning, Principal will notify parent.
2nd violation: Phone confiscated for 10 days
3rd violation: Phone confiscated for 20 days
4th violation: Phone confiscated for the remainder of the school year, to be picked up by the parent. Phones not picked up within one week of the close of school will become the property of the school.

SCHOOL VISITORS

Visitors are always welcomed at Daisy Elementary. However, because class time is so valuable, it is necessary that reasonable guidelines be followed to avoid interruption of the instructional program. When visiting the school, **please come first to the office.** Usually, we will be able to assist you with any needs you might have. If you need to talk with a teacher, **please do not go to a classroom;** instead, please make an appointment at a time convenient to both of you.

If you wish to have lunch with your child, please do not bring outside restaurant food or drink items, as Daisy Elementary is a federally funded school wide lunch program. We encourage you to purchase a school lunch from our cafeteria.

PARENT CUSTODY POLICY

All parent custody issues should be resolved outside of the school. The school will only follow court documents signed by a judge. This is an educational setting! Any parents in dispute will be asked to leave the premises and authorities will be notified.

FIELD TRIPS

Field Trips are extensions of the classroom curriculum and are designed to stimulate student interest and inquiry and to provide opportunities for social growth and development. Each trip is to be consistent with the standards. Signed permission slips must be obtained for every student going on the field trip. **STUDENTS ARE EXPECTED TO RETURN TO SCHOOL FOLLOWING ALL FIELD TRIPS.**

TEACHER CONFERENCE

If you need a conference with your child’s teacher, please call or write a note to make an appointment for a time when the teacher will not have to leave the classroom. **Please remember, teachers need to be with the students when the school day begins and during dismissal.** They are not available for conferences at these times of day. There is one scheduled conference built into the school calendar each semester.

FOOD SERVICE

Lunch and breakfast are served daily at our school. At this time, we are a Community Eligibility Program (CEP) school that provides meals at no cost. A la carte items MUST be paid for by students. No student charges are allowed. Students are prohibited from bringing carbonated soft drinks to school to drink with their lunches. Fruit juices in cartons with straws are permitted. **Please do not bring food from restaurants to children or for yourself during breakfast or lunch times. Thank you!**

HEALTH SERVICES / MEDICATION POLICY

The clinic is available during the school day. If illness or injury occurs, parents will be notified. The following is an excerpt from the Board of Education Policy Manual:

Non-prescription medication will **not** be dispensed to students. Administration of prescription medication must comply with the following regulations:
1. A written permission form for prescription medications will be provided to the school by the Health Services Department. This form must be completely filled out and signed by both the parent(s) and child's licensed health care provider.

2. A new permission form must be provided to the school at the beginning of each new school year. The permission form must be updated when there is a change in dosage or time of medication.

3. Medication must be brought to the school office by a parent or guardian in the original prescription bottle and refilled in like manner. No medication is to be brought to or from school by the elementary student.

4. All medication will be kept in locked storage cabinet.

5. Any unused medication must be picked up by parent or legal guardian at the end of the school year. Unused medication that is not picked up on or before the last day of school or medication that has expired will be properly disposed of by the school.

6. Prescribed emergency medications to address life-threatening situations must be readily accessible to the student at all times. These may be in the student's possession or in a designated location as is appropriate to the situation (field trips, etc.). Examples of these medications include, but are not necessarily limited to, asthma inhalers, epi-pens, glucose tablets, etc.

7. The school system retains the right to reject requests for administering medication that are not in compliance with the above guidelines.

   The school cannot remove splinters or ticks nor treat old wounds or cuts or diseases such as impetigo, poison oak, or pinkeye.

   **FEVER POLICY:** Children should be kept at home any time they are running a fever (100.0 or higher).

   **LICE POLICY:** The parent or guardian will be notified as soon as a child is found to have head lice. **Before returning to class, the student must provide evidence (box top) that treatment was taken.**

   **CLOTHES POLICY:** If your child receives a change of clothing from the school, please return clean clothing promptly.

   **SCHOOL INSURANCE**

Parents are given an opportunity early in the year to purchase school insurance. The information and necessary forms are available in the school office. Parents who have no medical insurance are encouraged to purchase this insurance for the protection of their children. Policies are available for either the school day or for 24-hour coverage.

**SCHOOL-WIDE DISCIPLINE PLAN**

We believe students can behave appropriately while at school. To ensure appropriate behavior, the staff and faculty at Daisy Elementary use positive disciplinary measures to recognize and reinforce responsible and considerate student behavior, however, we will allow no student to stop the teacher from teaching or prevent other students from learning. Some general school-wide guidelines are:

   **Be Respectful**       **Be Responsible**       **Be Safe**

To support these behaviors, we have adopted SWPBS- School Wide Positive Behavior Support. Students will have opportunities to earn points for their house when exhibiting good behavior.

Disciplinary actions in the event a student does not follow the school rules are necessary to aid the student, further school purposes, or prevent disruption of the educational process. Such actions may include a warning, exclusion from class activities, parent conference, and referral to the principal/assistant principal, denial from attending class field trips/ events, or suspension in or out of school. Further types of discipline may be used upon agreement between the parent and the school.

It is the commitment of Daisy Elementary School to involve our parents in solving problems of repetitive, disruptive, or dangerous types of student behavior. Hallway and lunchroom discipline rules are posted in the building. All Hamilton County students must review the Hamilton County Code of Acceptable Behavior and Discipline folder each year. The signature portion is returned to the classroom teacher.

**BULLYING VS. CONFLICT**

In today’s culture of bullying we commit to teaching students the difference between bullying and conflict, and to ensure that our students know that bullying will not be tolerated. Both bullying and conflict will have consequences as outlined above.

Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to someone and it involves an imbalance of power. Conflict is normal, natural disagreement that occasionally occurs between friends, family, or peers of equal status.
The language of conflict and bullying should become a regular part of our efforts to teach kindness to our children. Please use the link below to view a video on this topic.
https://drive.google.com/file/d/0B6UGSbstIP74SGwxdUk5ZFFQODg/view

SOCIAL MEDIA

Please use caution when allowing your student to communicate through any social networking sites, such as Facebook, Twitter, Instagram, or text messaging. Students found sending inappropriate messages, posting comments that are hurtful, demeaning, or otherwise viewed as cyber-bullying may have consequences according to both school policy and district policy. Students who use their social media accounts in ways that become detrimental to the school environment will be suspended for a minimum of one day.

ZERO TOLERANCE • DISCIPLINE VIOLATIONS

The following are zero tolerance offenses:
- Possession of a firearm, explosive, poison gas device, bomb or similar device.
- Illegal possession of a controlled substance or drug.
- Striking a teacher, administrator or any other employee of the Hamilton County Department of Education or an SRO.
- Transmitting by an electronic device a credible threat to cause bodily injury or death to another student or school employee and the threat causes actual disruptive activity at the school

The following offenses may result in at least a calendar suspension:
- Possession of a knife or device capable of inflicting injury to another individual.
- Possessing, transferring, or receiving drug paraphernalia, nonprescription drugs or "look-alike" drugs.

The Zero tolerance violations listed above which occur on school property, a school bus or at school-sponsored activities shall be reported to local law enforcement officials.

The student violator will be EXPELLED for a period not less than one (1) calendar year.

The school system encourages the reporting party or complainant to use the report form available from the principal of each school or available from the central office locations.

1. In Each School – The school principal is the person responsible for receiving oral or written reports of harassment or sexual harassment at the school level. Upon receipt of a report, the principal must notify the Assistant Superintendent for Personnel and the Assistant Superintendent for School Operations immediately without screening or investigating the report.

The school system will respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the school system’s legal obligations and the necessity to investigate allegations of harassment and take disciplinary action when the conduct has occurred.

Investigation and Recommendation
By authority of the school system, the Superintendent or his designee, upon receipt of a report or complaint alleging harassment or sexual harassment, shall immediately authorize an investigation. This investigation shall be conducted by school system officials or by a third party designated by the Board of Education. The party making the investigation shall provide a written report of the status of the investigation within 20 working days to the Superintendent and Deputy Superintendent. The twenty (20) day period may be extended by the Superintendent or Board of Education if the investigation warrants the extension.

In determining whether alleged conduct constitutes harassment or sexual harassment, the school system shall consider the surrounding circumstances, the nature of the sexual advances if sexual harassment is alleged, relationships between the parties involved, and the context in which the alleged incidents occurred.

The investigation shall consist of, but not be limited to, personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation shall also consist of any other methods and documents deemed pertinent by the investigator.

In addition, the school system shall take immediate steps to protect the complainant, students, and employees pending completion of an investigation of alleged harassment or sexual harassment.

The investigator(s) shall make a final report including findings and recommendations for disciplinary actions, if any, to the Superintendent of Schools upon completion of the investigation.
