

OMS Summer Reading 2022

This year we are adding a little fun to summer reading! You'll read a total of **3** texts that will all be selected by **YOU!** As you read, your task is to earn a tic-tac-toe. Make sure to write the title of the book in its corresponding box (each book may only count for one square). Be prepared to share your tic-tac-toe board when we return to school in the fall. Fill every box on your board to earn a special treat! Upcoming 7th and 8th graders, don't forget that you can access SORA through ClassLink to read or listen to books online!

Parents,

Talk to your student about what he or she is reading!

- What are you currently reading? What are you currently writing?
- What has happened in the text so far?
- Does this book/text remind you of another book you know? Does it remind you of something you've experienced in real life?
- What is the most important point the author is trying to make in his/her writing?
- Why do you think the author wrote this text?
- If you could change one part of what you are currently reading or writing, what would it be?
- If you could ask the author one question, what would it be?
- What characters have you read about that remind you the most of yourself?
- What characters have you read about that are not like anyone you know?
- How would you feel if you were a character in what you are currently reading?
