

STUDENT TUTORING & ENRICHMENT PROGRAM

CENTRAL HIGH SCHOOL is pleased to invite you to participate in a student tutoring and enrichment program, STEP. Starting September 6th, STEP will offer tutoring Monday through Thursday, from 2:30-4:00pm. The tutoring program will provide small group learning, enrichment and support opportunities for students who will work with a teacher tutor in Math, English or overall academic success to promote on time graduation. In order to attend STEP, students **MUST** commit to being respectful, responsible, and engaged after-school or they may forfeit their spot to participate. Dismissal will be at 4:00pm prompt via the classroom exterior doors. Students **MUST** be picked up by 4:00pm either by car at the front of the building (car rider line) or by bus at the back of the building (bus zone).

The Central High School tutoring staff is excited to partner with families through this additional learning opportunity! If you have any questions about the tutoring program please contact your child's teacher or Brielle Farrow at farrow_b@hcde.org or 423-344-1447 x 60585.
