

SDHS Callout September 19, 2022

Happy late September, Soddy Daisy! Thank you for a fantastic Homecoming Week last week! From the football game, Core-planned activities, SDHS Court selections- it was quite a week! We thank you for this.

Civics Test for Senior Students

Senior students will begin to take their Civics Test 2022-2023 in Government class this week. If a student is not scheduled for Government this semester or they miss class when we take this Monday or Tuesday, testing can be rescheduled with Ms. Jennifer Williams. She will reach out to students who need to do this. Should they need to retake this test after this week, there will be three other sets of weeks this year in which they can do so. It is a graduation requirement so it will be necessary. In case you didn't know, we were selected as a Governor's Seal Winner last year. We are prepping to do this again!

Freshmen Trip to Huntsville's Space and Rocket Center

This is your last week to turn in your permission form and \$65 to Mrs. Swafford to attend the Space and Rocket Center on October 4. Parents: you may pay for the trip online or send check/cash to school.

Last week to Donate to the Band!

The Red Lobster in Hixson is hosting "Thursdays in September" for the Soddy Daisy Trojan Band Boosters. They will donate 10% of sales, excluding gift cards and alcohol, for any guest that mentions to their server "The SDHS BAND!" Think Red Lobster in Hixson when you dine out any Thursday this month.
