4th Grade Weekly Newsletter

Week of: November 7th – November 11th

Reminders & Dates

★ Dates to Remember:

★ Parent Conferences- Please remember to let your homeroom teacher know if you plan to come in person for your conference time or need a Zoom link.

★ Half Day- Wednesday November 9th

★ Picture day- Picture day is this Friday (November 11th). Our pictures will be first things so students can dress nice and bring their Normal park shirt to change into for the LE if they would like to do so.

★ Zoo LE- Friday, November 11th (homeroom teachers will reach out to picked chaperones)

★ iReady challenge- We are on week 3 of our iReady challenge. The kids are really into this and working hard. 😊

★ Powerschool- Please check this regularly, as you are able to see grades and missing assignments. We try to updates our gradebook weekly. Please reach out if you have questions. If you don’t have a Powerschool login- please reach out to the office.

★ Green Plastic Homework Folders: Please check folders every Monday. If there is “correct and return” papers, this is an opportunity for your student to raise their grade.

★ Chromebooks: Please make sure Chromebooks are being charged each night at home. Students also need to have headphones each day.

In Class This Week...

- **Math:** This week we will wrap up our unit on Multi-digit multiplication. We will finish up with word problems and a review before taking our test. Students will have a study guide to help review at home. Read below for test day/info. We will then begin our new unit with dividing multi-digit numbers with remainders.

- **Science:** We will begin our unit on Energy Pyramids and food chains.

- **ELA:** This week we will write an information essay about animal based research.

- **Social Studies:** This Tuesday is election day! We participated in the TN 4th grade mock election last week to vote for governor of TN. Students got to cast their votes in a voting booth just like you. Your student would love to watch you vote on Tuesday as well! We love connecting history to real life in this way as we continue to study the constitution in Social Studies this week.

**WE WANT YOUR PLASTIC!**

6th grade is investigating the impact of plastic waste on marine ecosystems. Inspired by the Washed Ashore exhibit at the Aquarium, we are collecting plastic waste to use to create organism sculptures.

**ACCEPTABLE DONATIONS**

Plastic must be clean, dry, and empty! Donations may be brought to the Upper School and dropped in donation bins in the front hall.

Examples:
- bubble wrap
- drink tops
- plastic bottle
- yogurt containers
- plastic bags
- single use straws
- 6-pack rings
- disposable coffee/drink lids
- plastic netting (ex. for oranges)

Thank you for your help!
