Reminders:

New Information

★ IMPORTANT: CHANGE OF DATES
- Space Camp date has changed to Wednesday, September 28th due to a scheduling conflict.
- Immigration LE moved to Thursday, September 22nd due to a scheduling conflict.

★ We are so excited to be traveling to Space Camp next week. We will be sending home a letter this week with all the details about this trip. Click here to view the informational letter.

★ Coupon Book Sales: To purchase online or to use a credit card for $10 (plus for online orders a 4% online fee and a one-time .35 transaction fee): click the Kids First Coupon Books link from the Normal Park website (Resources. Online School Payments) and order as many books as you like. Use the description box to note students' full name, grade, and homeroom teacher. NEW THIS YEAR: To purchase via cash or check for $10: please visit the office on either campus. Parents should walk in to get books and not send cash or check with students.
- Distribution days: Books will be bagged and placed in your student's backpack. Pre Order today and distribution will begin on Friday the 9th. Other distribution days will be Tuesdays and Fridays during the weeks of September 9th-26th.

★ Remembering 9/11: Sunday marks 21 years since 9/11. This generation wasn’t born yet, so they will learn about this day through storytelling. Our goal this quarter is to understand perspective, so if you feel comfortable doing so, have a conversation about where you were, what you remember about that day, how you felt, and what happened after. They will have a chance to share on Monday in social studies if they feel comfortable doing so.

Past Information

★ Water bottles: It is hot outside! We would love for every student to have a filled water bottle at the start of the school day labeled with their name.

★ Chromebooks: This year, your child will be able to bring home their device. It is your child’s responsibility to bring it back to school each day with a FULL CHARGE. Failure to do so will result in a paper assignment.

In Class This Week:

Quarter 1 Module: “Understanding Perspective”

★ Math: In math this week, students will be finishing up our Place Value unit and assessing their understandings. We will send home a Study Guide on Tuesday and assess on Thursday.

★ Science: Our scientist will continue to explore Space Rocks this week by getting to see a real life comet in class and building asteroids for exhibit. We will assess Space Rocks on Friday. Students may use their Travel Journal to study.

★ Reading: This quarter students will continue their study of Human Rights by reading Esperanza Rising while comparing it to the Universal Declaration of Human Rights.

★ Social Studies: This week students will examine multiple perspectives regarding immigration and the push/pull factors that cause people to immigrate to the United States.
**Related Arts:**

- Please see the last page of the Monday Memo for the Related Arts Schedule.

**Weekly Reading Tip from the ELA Teachers**

- Try cooking a meal or a sweet treat together and have your student read you the recipe!

---

**Office Updates:**

- **How to Log Hours at NPMM: Volunteer QR Code or Google Form**

  - Scan the QR code or click the Google Form link to log hours such as learning expeditions, teacher special projects, exhibit set up or take down, etc. You will not have to use the Google Form or QR code if you sign up using a sign up link. The SignUp link logs hours for you. Your hours will be logged into Powerschool and all families will be able to view hours on report cards. All Normal Park Families are encouraged to complete 18 hours of volunteer service to support students, teachers, staff, and our community.

  - Click Volunteer Google Form to log hours. [https://forms.gle/Qz1TRGK3Uaij6N47](https://forms.gle/Qz1TRGK3Uaij6N47)
