Transportation Registration

This form is intended for those without computer/internet access.

Register online at https://www.evsd.org/departments/transportation/school_bus_registration

All students must register for the bus each year PRIOR to accessing the bus. Once scheduling is complete, the family will receive an email with the busing information and can begin accessing the bus.

PLEASE PRINT

For safety purposes, all pre-kindergarten and kindergarten students are required to have a parent present at the bus stop. If you choose to allow your child to be released with another adult, older student or on their own, please complete the form below. Grades 1-12 will be released from the bus without an adult.

Please limit the list of people to accept your child to two non-parental persons.

Thank you.

Option 1:
Child name: ________________________________, has permission to walk from the bus stop with ________________________________, whose relationship to my child is, ________________________________

Option 2:
Child name: ________________________________ has permission to walk from the bus stop on his/her own.

This note will be kept on file for the school year in which it was filled out only. It will not carry over into the following school year. If the person picking up your child changes, a new form will need to be filled out. Ask your driver or call the Transportation Department for a new form.
