Recently, the federal government expanded the categories for student ethnicity and race data. Because of these changes, we need to ask you to identify your child as Hispanic/Latino or not Hispanic/Latino and by one or more racial groups.

Washington state now has 222 racial categories to choose from. If one parent identifies with one race and the other parent with another, you will be able to check both races for your child.

**Question 1: Is your child of Hispanic or Latino origin? (Please check ALL that apply)**
