East Valley School District
Classified Job Description #309

Job Title: Paraeducator, Special Education; Developmentally Delayed

Job Summary:
Under the direction and supervision of the building principal, Director of Special Programs or designee, the paraeducator will assist in instruction, teach, motivate, inspire, and assess students with special needs. This paraeducator will promote a high quality education program that reflects the Washington State Standards.

Essential Job Functions:
This list of essential job functions is not exhaustive and may be supplemented as necessary. Depending upon individual assignment, the employee may perform all or a combination of several of the following duties:

- Assist the special education teacher in the implementation, organization and preparation of the classroom program and materials.
- Provide instruction to students with special needs as assigned and supervised by the special education teacher.
- Assist the special education teacher with record keeping tasks as directed.
- Assist the special education teacher in maintaining the safety and well-being of the students.
- Work daily with students in accordance with scheduled times.
- Facilitate and complete learning experiences designated by the teacher.
- Record progress of students on daily task sheets.
- Complete forms, record information accurately, and perform other secretarial tasks that are needed for the program.
- Teach using various methodologies, including lectures, demonstrations, and discussions.
- Teach effective communication skills.
- Meet course and school wide student performance goals.
- Create positive educational climate for students to learn.
- Provide social and academic guidance for students under direction of the special education teacher.
- Respond appropriately to aggressive and physical behaviors. Ability to utilize soft restraint and de-escalation techniques.
- Maintain physical capability of lifting a student (must be able to lift 50 pounds). Heavier lifting will utilize a two person lift or assistive devices.
- Maintain and promote own personal professional growth through appropriate coursework, workshops, reading of professional materials, etc.
- Assist student(s) with behavior management by consistently following the plan developed by the staff including but not limited to redirecting, teaching replacement behavior and providing reinforcement.
- Refer concerns for safety, health, and discipline to the supervising teacher or principal.
• May need to attend to personal care of students, such as: toileting, lifting, transferring, changing, feeding, and providing other services, based on student needs.
• Monitor student activities on the playground and lunchroom.
• Assist in upholding and enforcing school district rules, administrative regulations, and board policies.
• Take all necessary and reasonable precautions to protect students, equipment, materials, and facilities.
• Requires the use of multiple communication systems, such as electronic mail and computers.
• Inspect school or district facilities for the purpose of ensuring that the site is suitable for safe operations, maintained in an attractive and clean condition, and/or identifying necessary repairs due to vandalism, equipment breakage, weather conditions, etc.
• The employee shall maintain a consistent presence at the assigned work site(s) and work the regular work hours specified by the contract.
• Professionally interact with colleagues, members of the public, and students.
• Comply with all District policies and all applicable laws.
• Perform special assignments and other duties as assigned or required by the supervisor.

Desired Skills:
• School degree in related field preferred.
• Demonstrated ability to follow specified lesson plans independently.
• Demonstrated interest in working with students with special needs.
• Demonstrated understanding of effective instruction, assessment, and socially just practices.
• Demonstrated ability to work effectively with teachers to improve instruction using data to drive decision making instruction.
• Willing and physically capable of kneeling, bending, and working or sitting on the floor with students, based on student needs.
• Demonstrated effectiveness in using computer technologies to enhance instruction and to manage building functions.
• Demonstrates classroom management procedures that provide for large and small groups, and individuals, and provides an environment conducive to learning.
• Enthusiastic and displays an overall optimism and motivation toward teaching and student learning.
• Gains the respect and confidence of students, parents, and staff through modeling appropriate demeanor, behavior, and attire.
• Sets and attains high level of expectations with a commitment to using available resources in a way that accomplishment occurs.
• Relates positively to youth and adults of varying socioeconomic, cultural, and ethnic backgrounds.
• Ability to demonstrate a thorough understanding of the instructional/learning process and effective teaching strategies.
• Willingness and commitment to participate in professional collaboration and student supervision.
• Demonstrates ability to communicate clearly and effectively in both oral and written communication.
• Working knowledge of district-adopted software, including Microsoft Office.
• Ability to establish cooperative working relationships with district staff to enhance the completion of assigned tasks.
• Flexible in learning new concepts, cooperates with others, and adapts to a variety of assignments and conditions.
• Sets and attains high level of expectations with a commitment to using available resources in a way that accomplishment occurs.
• Demonstrates the ability to learn new ideas and skills for solving problems in a dynamic team environment.
• Demonstrates ability to relate and work effectively with staff and community.
• Demonstrates personal characteristics of flexibility, high-stress tolerance, reliability, punctuality, dependability, and an ability to maintain confidentiality.
• Ability to lift objects weighing up to 70 pounds.
• Ability to maintain high standards of professionalism and diplomacy in dealing with the public and district staff.

Minimum Qualifications:
• All paraeducators must have completed the ETS Praxis, or obtained an AA Degree, or have earned 72 quarter/48 semester credits, or have completed a registered apprenticeship program prior to applying for a paraeducator position in the East Valley School District. (documentation required at time of application).
• High school diploma or equivalent (documentation required at time of application).
• All applicants will be required to complete core competencies within three years of date of hire (http://www.ets.org/parapro).
• Documented training or willingness to receive training in de-escalation, personal safety techniques, and physical intervention.
• Required to have a current First Aid/CPR card.
• Successful Washington State Patrol and Federal Bureau of Investigation Fingerprint Clearance.
• Valid Washington State driver’s license or evidence of mobility.
• Proof of Immunization (if born 1/1/57 or later).
• I-9 Employment Eligibility in compliance with the Immigrations Reform and Control Act.
• Completion of all district-required trainings within thirty (30) calendar days from hire date.

Work Environment:
The work environment characteristics described are representative of those an employee encounters while performing the essential functions of this job. The employee may be required to deal with distraught and/or angry persons and may be exposed to infectious diseases carried by children. The noise level in the work environment is acceptable to this particular environment and can vary depending upon daily activity but will remain within acceptable ranges.

Evaluation:
The Paraeducator shall be evaluated per the terms of the Public School Employees Collective Bargaining Agreement, building principal, and Director of Special Programs. The process shall include an evaluation of the employee’s performance of the above essential job functions and desired skills.
