Our Schools

- The InTec Program offers project centered curriculum designed around community and world issues.
- Continuous Curriculum School offers a year-round calendar school year for grades K-8.
- East Farms STEAM Magnet Elementary offers a focus on Science, Technology, Engineering, Arts, and Mathematics.
- East Valley Online offers more than 210 online elementary, middle, and high school courses.
- Parent Partnership Program offers a learning environment which places an emphasis on cooperative partnerships with family and community.
- East Valley High School, Middle School, and East Farms are Project Lead the Way participants.
- East Valley High School has a strong graduation rate, well above the state average. Over half of East Valley graduates pursue post-secondary education.

"East Valley School District will inspire all students to achieve academic excellence and to become responsible citizens."

East Valley Offers:

- One of the region’s largest preschool and early childhood education programs
- 120+ High School courses, including Advanced Placement and college credit courses.
- 73% of High School Students participate in co-curricular and extracurricular programs and activities
- 300+ acres of playing fields and grounds.
- Participation in multiple state level competitions in activities, academics, and athletics.
- East Valley Teachers average 15 years of experience, and over 70% have earned Masters degrees.
- Our district offers a wide variety of professional learning opportunities regarding instructional strategies and instructional technology.

Our Community

- Parenting Magazine has identified Spokane as one of the best American cities to live and raise a family based on great schools, affordable homes, low crime rates, jobs and parkland.
- Our region is full of recreational opportunities as Spokane County is home to 76 lakes within a 50 miles radius, 4 major rivers, 5 ski resorts, and 75 parks within less than two hours driving distance.
- Spokane offers a wide variety of concerts, shopping, dining, recreation, and entertainment.
