

**Lincoln Elementary School**

255 Plainfield Street  
Springfield, MA 01107

Dear Lincoln Families,

I am pleased to announce that Lizmyra Theriault has been hired as an assistant principal for Lincoln Elementary School. Starting March 14, 2022 she will join the Lincoln staff. We are thrilled to have her wisdom, experience, and dedication to Springfield Public Schools. Highlights of her experience are as follows:

1. Experience as an Assistant Principal at Frederick Harris Elementary School.
2. Expert in Reading and Writing as she was an ELA Instructional Leadership Specialist.
3. Recipient of the Grinspoon Teacher of Excellence Award.
4. Many years of experience as a classroom teacher in grade 3 and grade 4.
5. Experience in Special Education, supporting student educational needs.

She has had an effective career in Springfield and brings extensive experience and knowledge to Lincoln. We know she will be instrumental in helping us improve our students' academic performance, increase students' well-being and safety, and support educators to meet the needs of our students.

We especially value her ability to easily connect with families and students as she grew up on Massasoit Street and is a native Spanish speaker. Please join me in welcoming Mrs. Theriault to Lincoln Elementary.

Sincerely,

Mark McCann
