

August 2022

Dear Incoming Hoosic Valley High School Senior Parents,

iSmile Studios is happy to be a part of your student's upcoming senior year. In preparation for the exciting time ahead, we are offering free Class of 2023 senior portrait sessions at Hoosic Valley High School on September 20-22, 2022. Appointments are available at www.ismilestudios.com or by scanning the QR code here:

Portrait sessions consist of formal studio portraits. Girls will be provided with a drape, and boys should wear a button-down shirt and tie (suit coat is optional). For the girls, the drape is very easy - we recommend that you wear a tank top or camisole and just move the straps off your shoulders. We'll also be taking portraits in a cap & gown, which will be provided. Students will select one studio portrait for the school yearbook at no charge.

After the portraits are taken, images can be viewed in a secure online gallery. After your child's portrait session, they will be given an information sheet that has the unique code to view your child's images online. Once you register that code, you'll receive an email when the images are ready to be viewed. You may optionally order a package of any or all the portraits.

Please feel free to email us at schoolpics@ismilestudios.com if you have any questions.

We look forward to meeting the senior class soon!

*Sincerely,
iSmile Studios*

Hoosic Valley Class of 2023

SENIOR PORTRAIT DATES

SEPTEMBER 20-22, 2022
