# Strategic Action

2020-2025

# PLAN

## Our Vision

1. Enhance relationships with our districts through strong communication and promotion of our services
2. Create professional learning and networking opportunities for stakeholders based on identified needs
3. Develop additional student programming to support our districts in meeting the needs of all learners
4. Provide support to member districts in the implementation of a Multi-Tiered System of Supports
5. Collaborate with member districts to design innovative programming to assist with meeting the mental health needs of our students
6. Expand our services in response to member district needs

## Our Values

Special Education has developed into a very important part of the profession of educating students. RRSEC and its member districts have a long and proud history of working collaboratively to deliver exemplary services to all learners. RRSEC, in partnership with our member districts, strive to truly reach students where they are and to empower students towards success

## Key Concepts in Our Strategic Plan

Below are definitions of the key concepts referenced in our strategic action plan to assist in developing a common language with our stakeholders.

**Innovative Programming:** strengthen the knowledge, skills and behavior of individuals, while improving structures and processes such the organization can efficiently meets its mission in a sustainable way

**Multi-Tiered System of Supports (MTSS):** an instructional framework that includes universal screening of all students, multiple levels of prevention, and an integrated data collection and assessment system to inform decisions at each prevention level

**Relationships:** connections, perceptions, attitudes, and written and unwritten rules that shape and influence how an organization functions and how people work together

**Stakeholder:** anyone who is invested in the welfare and success of an organization (e.g., staff, students, families, community members)
