

# **Beverly Perry Ladin Merit Scholarship**

Deadline: April 1<sup>st</sup>

Amount: The scholarship amount shall be \$2,000 per year for a period of no more than four consecutive years. The yearly scholarship amount shall be paid at the end of each successfully completed academic semester or term. (Offered next in 2011 or when present recipient no longer qualifies.)

Eligibility: The recipient must be a female residing within the boundaries of the Ishpeming School District, who shall graduate in the top academic 1/3 of her high school graduating class. In determining the student who shall be awarded the scholarship, the scholarship committee shall use as criteria grades, difficulty of course study, the recommendation of the high school and citizenship. (This scholarship is offered every four years, unless the present recipient is disqualified.) The recipient's financial need must be demonstrated.

When enrolled in a post-high school educational institution, the recipient must maintain a minimum grade point average of 3.0 (on a scale of 4.0) and a full academic course load to continue to receive the scholarship amount. Should the recipient fail to maintain the minimum grade point average or full academic course load, the scholarship shall terminate. The recipient must provide the high school principal's office with an official copy of the recipient's transcript of grades at the conclusion of each semester or term.

Should the recipient be unable or unwilling to enter the freshman or initial semester or term, an alternate recipient shall then be awarded the scholarship subject to the terms as herein set forth.

If in the opinion of the scholarship selection committee no student meets the criteria herein established, then no scholarship will be awarded for that year and is to be made available for the following or later years.
