

**Odyssey Community School  
Tylenol or Ibuprofen Permission Form  
2020-2021 School Year**

The Board of Trustees of Odyssey Community School allows the school nurse to dispense Tylenol (or its generic form) or Ibuprofen under Standing Orders written by OCS's medical advisor and with the written permission of the parent or guardian. These Standing Orders allow Tylenol or Ibuprofen to be given for:

1. Headache without injury or fever;
2. Menstrual cramps; and
3. Recent dental work

Only **one** dose of Tylenol or Ibuprofen will be given during a school day. If the student continues to have a problem, the parent will be notified that a medical evaluation is needed before any more medication will be dispensed.

Regular Tylenol or Ibuprofen or junior strength can be dispensed to students in grades 3 through 8. If you wish your child to be given Tylenol or Ibuprofen as indicated in the Standing Orders, please complete this form and sign below.

Student's Name: \_\_\_\_\_ Age: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Preferred Medication: Please circle one or both of the following:

Tylenol      and/or      Ibuprofen

Other medications the student is taking: \_\_\_\_\_

Any allergies? \_\_\_\_\_

To my knowledge, my child is not allergic to Tylenol or Ibuprofen and she/he has no medical condition for which Tylenol or Ibuprofen would be harmful.
