Assurances

Parent Consultations

The school shall conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under this part consistent with section 1116. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

Certifications

The school will inform/notify parents (in a timely manner) of each student attending a Title I school that they have the right to request information about their child's classroom teacher and, if applicable, the services provided by their paraprofessionals, as well as the paraprofessionals qualifications.

The school will notify parents when a child is taught for 4 or more consecutive weeks by a teacher who is non-state certified or state-certified but teaching out-of-field by providing a written notification to each parent in a timely manner. This notification should be timely and in letter form on school letterhead. Newsletters are not always timely and bring about providing information about a teacher's qualification for a specific classroom or grade that does not affect all parents. Notification may be disseminated via student backpack, U.S. mail, and meeting with parents.

School Parent and Family Engagement Policy

The school will jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of section 1116 (c-f) and Assurance 11c-f. Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school.

Policy Involvement

The school will convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved.

The school will offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, childcare, or home visits, as such services relate to parental involvement.

The school will involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b) except that if a school has in place a process for involving parents in the joint planning and design of the school's programs, the school may use that process, if such process includes an adequate representation of parents of participating children.

The school will provide parents of participating children with:

- a timely information about programs under this part;
- a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of Florida's challenging academic standards; and
- if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practically possible.

If the schoolwide program plan under section 1114(b) is not satisfactory to the parents of participating children, the parents may submit any parent comments on the plan when the school makes the plan available to the LEA.

Shared Responsibilities for High Student Academic Achievement

The school will jointly develop with parents for all children served under this part a **school-parent compact** that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the Florida's challenging academic standards. Such compact shall

- (1) describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the Florida's challenging academic standards, and the ways in which each parent will be responsible for supporting their children's learning, volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time;

- reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities;
- ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.
