Three Schools One Campus

Thank you for extra patience during arrival and dismissal as we host Ft. Myers Beach Elementary and The Sanibel School. You may be curious how three schools in one actually works. SCPE occupies the main building while FMB and TSS are in the two-story building known as Building 5. Each school maintains their autonomy from each other and on a normal day comes together only three times per day; arrival, lunch and dismissal. TSS hopes to be back onto their campus soon and FMB may be with us for a bit longer.

Veteran's Day Celebration November 10, 2022

If you served in the military please join us on Thursday November 10,2022 at 8:30am. We will honor our veterans with a light breakfast at 8:30am followed at 9:00am by a flag raising ceremony and performance by our arts department. You are welcome to stay and visit classrooms to meet with students and share your experiences or head out and start your day. This is a long-standing tradition at SCPE and an important way to teach our students about the importance of military service.

Hurricane Make-up Day November 11

School will be in session on Friday November 11. Just as soldiers enjoy a day in civilian clothes so do our students. Students may enjoy a "No Uniform Day" for our hurricane make up day. Since it is Veteran's Day, students are encouraged to wear patriotic themed outfits. All students will return to uniforms upon return to school November 14.
