Please call the main office or visit:

www.bigbayschool.com

for more detailed dates, the most up to date information and schedule changes.

After School Tutoring

After school tutoring services are available for K-6th grade students every Tuesday after school from 3:00PM–4:00PM. If you would like your child to participate in after school tutoring, please send a note for your child to stay after on those days. If for any reason tutoring is canceled, your child's teacher will contact you and it will be posted on the school Facebook page in advance.

Tutoring for students in grades 7–12 is available Monday through Friday in the library from 3:00–4:00PM. If you are interested in this service, please call the school at 906-252-4500 and contact Christa Peterson to make arrangements.

2019–2020 Yearbooks for Sale

2019-2020 yearbooks are now available for purchase! Yearbooks are \$25 each and can be purchased by contacting Janelle Dalgord by phone at 906-252-4500 ext. 3141 or by emailing jdalgord@bigbayschool.com.

Milk Jug Madness!

It's that time of year again when the Kindergarten class begins collecting milk jugs for their annual indoor igloo!

If you have any milk jugs, gallon or half gallon, that you would be willing to donate, please drop them off at the school or send them with a student.

Milk jugs must be thoroughly cleaned and caps on are preferred.

Thank you!

BIG BAY DE NOC SCHOOL

February 2021

"Our Future Begins Now!"

New Year... New Weight Loss Goals!

The new year means new resolutions for the staff at Big Bay de Noc. The staff has taken on another weight loss challenge for the new year. This is always a challenge but keeps us in high spirits when we see that declining number on the scale week after week. Terry Jones, our reigning champion from last year's competition, has jumped out to an early lead.

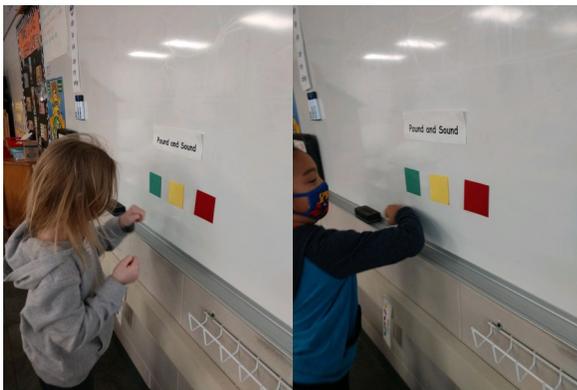

Christa Peterson hangs on to second while Angie Paulson stands in third and is looking to overthrow Terry for the devastating second place finish he delivered her last year. The battle cry for everyone this year seems to be, "Beat Terry."

Of course losing weight is important too! Through the first week the staff has lost a total of 47 pounds with only 14 participants. It has been such a great start but so hard denying those birthday treats the students keep bringing around!

With 8 weeks left, spring break cannot come soon enough!

Pound and Sound Phonemes

The kindergarteners are learning the game "Pound and Sound" to help them hear and blend phonemes. They use a visual aid, pound each sound, and then blend the sounds together to make a whole word.

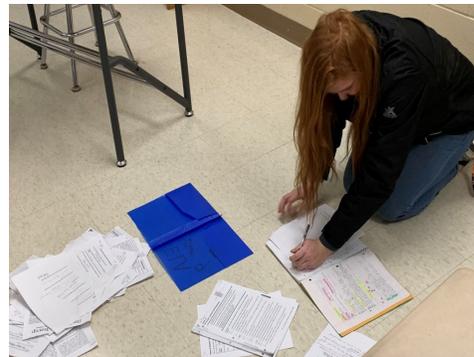

Surviving Semester One

Students in grades 6-12 have just completed a major milestone; they have finished their Semester One exams. The week of January 18-22 was exam week, a time for students to study and show how much they had learned during the first semester of school this year. To the left you can

see eighth-graders Addie Goodenough, Macy Peterson, Tatum Harvey, and Dixie and Lila Morris work on their study guides and quiz each other on the information.

Organization is important when studying for semester exams. Piper Jones goes through her notes, papers, and assessments

so that she is organized and ready to study for her exams.

Exams for 8-12 graders are 20% of their semester grades, while for the 6th and 7th graders, the exam is worth 10% of their final semester grade. Exams are in the books, so now it is on to Semester Two.
