

Anatomy & Physiology
Course Syllabus 2021-2022
Ms. Barry- kristen.barry@hcps.org

Course Description

Anatomy is the branch of biology and medicine that is the study of the structure of living things. Physiology is the study of the function of living things or how organisms, organ systems, organs, cells and biomolecules carry out the chemical or physical function in a living system. This year, we will be covering the entirety of the human body, including gross anatomy (the large structures visible to the eye) and microscopic anatomy (cellular level).

Goals for Student Learning

- Students will demonstrate ways of thinking and acting in a scientific manner using the language and instruments scientists use to collect, organize, interpret, calculate, and communicate information.
- Students will describe the anatomy and physiology of the major human body systems, including integumentary, skeletal, muscular, nervous, cardiovascular, digestive, respiratory, and immune/lymphatic systems.
- Students will relate physiological functioning of different systems of the body to the overall functioning of the organism.

Materials

- Binder or notebook; folder for handouts optional
- Blue/black pens and/or pencils
- 1 box disposable gloves
- 2 containers of disinfectant wipes
- *Optional items:* flashcards, colored pencils, highlighters, sticky notes/tabs, etc.

HCPS Grading Policy

Extra credit will not be given for non-academic purposes

PRODUCT (50%)	PROCESS (30%)	PRACTICE (20%)
Does it measure how well students achieved specific learning goals, standards, and/or competencies?	Does it provide feedback to students regarding growth towards the attainment of specific learning goals, standards and competencies?	Does it allow students to practice skills and/or reinforce content learning?

Absent Work Policy

All assignments should be submitted on time. Students will be given the number of class periods equal to the number of lawful class periods absent to turn in completed make up assignments without penalty.

Late Work Policy

All assignments should be submitted on time in order to earn full credit. Any assignment, (*product, process, or practice*) will be allowed to be turned in late for one letter grade deduction from the grade a student earns on the assignment. In order to earn credit for late assignments, students must submit assignments by the end of the day on Wednesday (except for the last week of the quarter) following the designated HAC update. Students are only able to submit assignments that have an established due date within the grading window before the designated HAC update. Assignment that are turned in for late credit will be identified by a footnote in HAC to include a statement about the deduction of a letter grade due to the lateness of the assignment.

Academic Integrity

Academic integrity is taking responsibility for the quality and completion of one's own work. Academic dishonesty is taking someone else's work and claiming it as one's own. Students at Bel Air High School are responsible for knowing what is considered to be Academic Dishonesty and the subsequent consequences. More information can be found in the BAHS Student Planner.

Cell Phone Policy

- Students will place their cellphones in a teacher designated area as they enter each classroom. Teachers will review with students the specific location for each room. The phones will remain in the teacher designated area unless teachers explicitly tell students to take out the phones for instructional use.
- Cellphones will remain in the teacher designated area during bathroom visits, assemblies and trips to the nurse/counseling office/main office.
- Cellphones will be retrieved from the teacher designated area at the end of class at the direction of the teacher.
- School-appropriate cellphone use is permitted during class changes and lunch. Students are not permitted to make phone calls during school hours.
- If the cell phone policy is violated, it is a referable offense.
