October 27, 2022

Dear Parent(s) and Guardian(s):

This morning, October 27th a school safety drill was conducted to practice the district's processes and procedures in the event of a real emergency. We successfully completed an "Evacuation Drill" with all students and staff. The students and staff proceeded to their designated area.

The safety and well-being of our students and staff is the Garfield School District's highest priority. The James A. Garfield Early Childhood Learning Center and all our district school buildings regularly conduct safety drills throughout the school year to prepare all students and staff.

We are informing you that this was a routine school safety security drill and there is no reason for alarm or concern. We will continue to send message updates like the one you are receiving today so you are informed of the safety processes and procedures taking place in your child's school.

I thank you for your cooperation. Should you have any questions or concerns regarding the school safety drills, please do not hesitate to contact me.

Sincerely,

Nicole Grillo, Ed. D.
Principal
